P.I. Primo Brachi**

I risultati enunciati si riferiscono unicamente ai campioni così come ricevuti, se non diversamente indicato nel rapporto di prova, e non alla partita che gli stessi rappresentano. I campioni analizzati si conservano per tre mesi. Il presente rapporto di prova ha valore solo se in originale e non può essere riprodotto parzialmente, salvo approvazione scritta del laboratorio.

The declared results refer only to the samples as received, if not otherwise indicated in the test report, they represent the analysed samples. The analysed samples will be kept for three months. This test report has value only if original and cannot be partially reproduced without written approval of the laboratory.
